

Board of Public Roads Classifications & Standards

Board of Examiners for County Highway & City Street Superintendents

### OBJECTIVES

#### Learn more about:

- Administration of local Federal-aid transportation projects.
- Successfully managing road and street programs.
- Federal Funds Purchase Program for local public agencies.
- Federal Emergency Relief funding.
- Avoiding Conflict of Interest.
- Compliance with Federal regulations from an NDOR auditor's perspective.

### TARGET AUDIENCE

- County Board Members
- City Council Board Members
- City and County Clerks
- Responsible Charge Persons
- Co. Highway Superintendents
- City Street Superintendents

Local Public Agencies will be reimbursed for allowable expenses to attend one session. Allowable expenses include mileage and lodging for participants traveling 60 miles or more from their base of operations.

More information and expense reimbursement forms will be provided at each session.
